PROTECTING VICTIMS, PREVENTING VIOLENCE, & EMPOWERING SURVIVORS

WHO WE ARE

At The Domestic Violence & Sexual Assault Center our mission is simple: to PROTECT victims, PREVENT violence, and EMPOWER survivors.

We accomplish this by providing citizens of Rutherford County with specialized resources and the assistance necessary to effectively deal with the personal, social, and legal implications of victimization by domestic violence and sexual assault.

24/7 CRISIS SUPPORT

SHELTER

Our secure confidential shelter offers individuals and families a temporary safe haven from violence while providing an opportunity for survivors to regain their lives apart from abuse. Throughout their stay, clients have the opportunity to work with case managers to assist in long-term goals, safety, and healing.

SEXUAL ASSAULT SERVICES

We provide crisis support and advocacy services to all victims of sexual assault, sexual abuse, and rape. Specialized advocates can assist with immediate coping and crisis intervention after an assault. We provide victims with information of their legal rights, safety planning, and available healing services. Additionally, we have an onsite Sexual Assault Forensic Exam (SAFE) Room providing medical rape kits, optional STD/HIV treatment, and emergency contraceptives.

OUR SERVICES

COURT ADVOCACY

The legal process can be scary and confusing, but our highly trained court advocates, specializing in Orders of Protection, are there with victims throughout the entire process. Additionally, we have an attorney on staff who works diligently and meticulously to ensure that every client's voice is heard in the court of law.

COUNSELING

We provide a healing environment to help people recover from domestic violence or sexual assault. We offer individual counseling services and support groups to adults who have been abused or assaulted recently and to adults who were abused as children. We offer a safe place for clients to tell their stories, express their emotions, and process their experiences, while offering the support needed for trauma recovery.

CORPORATE SPONSORSHIP OPPORTUNITIES

Domestic Violence & Sexual Assault Center is grateful for the investment and support of our corporate partners. Thanks to their generosity every gift made multiplies in impact to help provide safety and trauma recovery for more victims of domestic and sexual abuse.
